ABOUT THE PROGRAM...

The goal of A.L.I. is to develop student leaders who are willing to take on positive, cooperative challenges. Participants will continue to develop their individual and group skills by working as facilitators with other students and assuming leadership roles in the educational community.

A.L.I. creates an atmosphere that allows for healthy risk-taking which results in more confident and resilient students.

Significant time will be devoted to field-based endeavors using the rich, natural, historical, and human resources of Dennis and Yarmouth. Past field trips have included walking tours, bike tours, kayaking, the Cape Playhouse, Harwich Junior Theatre, Bass River tour, and a whale watch. Students will participate in a final exhibition based on these experiences. Everyone will be given the opportunities, support, and experiences to lead and to excel!

DATES AND TIMES
Monday-Friday
July 12-29, 2010

The "home" sessions are at D-Y from 8:00 a.m. to noon. However, due to numerous field-based experiences, times are flexible and often subject to change. A calendar of events, places and times will be furnished at the beginning of the program.

TUITION AND FEES

The fee for A.L.I. is \$165.00 per student, payable to Dennis-Yarmouth Regional High School at the first session. The fee covers all activities, admissions, and ticket costs.

CREDIT

Elective credit (.50) will be awarded through D-YRHS upon successful completion of the entire program.

ATTENDANCE POLICY

A maximum of two excused absences will be allowed.
