Hello DY!

Please look around your home for unused/out of prescription eye glasses or hearing aids. There is a yellow and blue Eye Glasses/Hearing Aid collection box in the Front Office from the Lions Club. The glasses that are collected are donated to Lens Crafters here in Hyannis. They remove the frames, determine the prescription, then re-use them in new frames for those on the Cape that cannot afford such; both adults and students. As a result of what we/you collect and donate, the Lions can refer a person in need to Lens Crafters for both an eye examination and a pair of glasses for free.....free to both the recipient and the Lions.

Any Hearing Aids collected we send to Morton Hospital for recycling. From there they go to Spaulding in Sandwich where the Lions can provide audiology services and hearing aids at no charge to those in need. This program only costs our Lions Club \$200 per patient.

Thank you all for your donations!

Charlie and the Chocolate Factory is coming to the DY Library on March 9th from 6:00-8:00PM. *Wonka* chocolate bars will be for sale in the library before and after school for \$1.00. If you are the lucky student who finds one of the five Golden Tickets please see Mrs. Edwards!

VOLUNTEERS NEEDED!! The Yarmouth Chamber of Commerce is looking for volunteers for their annual St Patrick's Day parade. Volunteers would be surveying the attendees at the parade that are standing on the side of the road. 20 Volunteers are need. Please sign up in guidance for further information.
