Monthly Newsletter and Parent Education & Support Opportunities

Hello Cookie!

The April editions of the [Cape Cod Family Resource Center Newsletter](#) and our list of [Parent Education and Support Opportunities](#) on and near Cape Cod are ready and waiting. There's lots of great stuff in each of these to share with your staff, colleagues, and the families you support.

For instance, we're proud to be hosting a **Diversity Round-table** on Thursday, April 14th from 2 to 4 p.m. Join our own Tara Wallace, along with parents, community members, and organizations as they discuss the critical needs and issues of diverse families on Cape Cod. For info, call Tara at 508-815-5138.

We'll also be hosting an **Awareness Breakfast** for the **Cape & Islands Enough Abuse Campaign** on Friday, April 15th from 9 to 11 a.m. Come honor National Child Abuse Prevention Month and learn how this grass roots effort is working to stop the sexual abuse of children in our region. [Click here for a flier with more details.](#)

Thank you for spreading the word to colleagues and clients on Cape Cod, for collaborating with us and with each other, and
