Reading Checklist

Challenge yourself! How many of the following can you read this summer?
Write down all the titles that you have read!
Star your Book Hook title.

Dear Parents/Guardians,

Mattacheese is Hooked on Books! All students can borrow a book from MMS Library for their summer reading assignment. In addition to the **Book Hook**, we encourage students to read several books *at least* thirty minutes *every day*. For this assignment, students are asked to select their favorite book and complete this **Book Hook** form (next page). Please put your name above and have your parent/guardian sign the reading checklist. ***This is due the first week of school.***

Having trouble choosing a book? Check out our school's site or Mrs. Schuck's website (www.librarychickens.edublogs.org) for suggestions.

During the first days of school, students will present their two to three minute **Book Hook** to their peers during ELA class. This will be your first homework grade for ELA. Thank you for your continued support.

Sincerely,

Ann Knell

Students who complete this assignment will participate in a Summer Reading Ice cream celebration. Complete more than one Book Hook and earn a raffle ticket for a special drawing

A Book Hook is like a two to three minute commercial, grabbing your audience. Your goal is to encourage others to read your book.

Hook Ideas

Hook your audience!

Summarize the book without giving away the ending!

Why would you recommend it to others?

What did you learn from this book?
