From the desk of Ms. Leary – Assistant Principal

This week shaped up to be a busy one here at SAE! On Tuesday we had our first All School Meeting of the Year around our PBIS theme of “Safety”. We had a visit from YPD –Officer Fichter and YFD – Captains Armstrong and Huck who spoke to us about being safe citizens. We were reminded what it looks like to be safe on our school buses and on our playground – and everywhere else at SAE. We welcomed all of our new students and sang our school song together. We enjoyed coming together as a community. This week also saw us have 2 half days for teachers and parents/caregivers to meet for conferences. Engagement and communication is vital for our home –school connection to be successful. We thank the PTO bakers who sent in delicious treats for the faculty and staff to enjoy. We truly appreciate all you do!
