June 19—School Committee Meeting—6:30 pm

From the desk of Mr. Crowell, Principal

It is hard to believe that we only have a little over two weeks of school left! This week our grade 3 students presented a wonderful concert and our related arts teachers also presented a nice showcase at the Cultural Center. In addition, our grade 3 students visited Wixon to get a preview for next year. We are in the process of putting together our summer reading book bags for each student. This is a great way to start off the summer with reading.

Thank you to all who have supported our events at SAE this year and to our PTO who have worked hard to provide field trips and programs for all students. Please be sure to check the calendar for end of the year events! We look forward to a great next two weeks!

Day Care News

We have had an overwhelming response to our summer program. With that being said, we are now starting a wait list going forward. Any one who has not already registered and received an additional packet of forms will go on our wait list. We will contact you as space becomes available. We strongly suggest that if you are even thinking about using our program at all, that you place your child's name on our list. Any child that attends our school will have first right to a space as they come available. Please call us at 508-760-5613 with any questions. Thank you.

On another note, earlier this week registration forms went home with your child for the last day of school daycare services. The last day is Tuesday, June 27th and school is dismissed at 12:10pm. Any parent or guardian needing after school day care for that day will need to fill out the form and return it with payment by Wednesday, June 21st. Children that stay that day will need a home lunch.

We have one last item that we would like to inform you about. This is for all current 3rd grade students who will be going to Wixon next year. There will be no morning day care held at Wixon next year. School begins at 8:00am and the buses unload children at school starting at 7:45am. Children who attend school at Wixon can be bused back to Station Avenue for after school care if you need that service. Any one who has any questions about this may contact Mrs. Mauro at 508-760-5613. She will be more than happy to help in any way.

News from the Clinic

This week Lisa Bushy RN, from the VNA, did a presentation called "Nutrition Detectives" for the 3rd grade. She showed a video presentation and did a demonstration showing how to read food labels to make the best nutritious food choices. Ms Bushy will return over the next 2 weeks and visit each 3rd grade class for a short lesson. These lessons are designed to help students detect nutritious ingredients in their food choices. This program is designed to get students to think about what they are eating as food to build strong and healthy bodies. Eating healthy keeps us healthy!

We are finally seeing some sun. Just a reminder for the upcoming field trips, please remember to apply sunscreen before your student comes to school. Also, dress for the weather. The field trips will take place rain or shine. When your student returns home, please check for ticks. These simple steps can help keep our students healthy.

On another note, if you are a SAE family with a new Kindergartener coming in the fall, just a reminder to send in physical forms and immunizations before the first day of school.

I appreciate your cooperation.
