**Public Hearing**

A. Presentation of FY 2024 Budget

David Flynn, Assistant Superintendent of Finance and Operations

Carol Woodbury, Superintendent

Mr. Flynn presented information on the FY2024 Budget noting that the information is the same as he presented 2 weeks prior. He reminded the Committee that the governor has until March 1<sup>st</sup> to release the proposed budget. He then reviewed the Student Enrollment Data; Selected Populations; College Plans; Budget Timeline Key Dates; Foundation Enrollment; State Aid Update; Revenue Variables; and Budget Priorities. Priorities would be to maintain

a level-service budget retaining current staffing level. Contractual increases are expected in Special Needs Tuition and Services; Transportation; Health Insurance; Property and Liability Insurance; Facilities, Grounds, Utilities; and Retirement and Medicare Tax. Mr. Flynn also reviewed the Debt Service. He also reported that he recently reviewed the DESE function codes as they relate to each staff member in the district and updated where necessary.

B. Public Comment

Michelle Dunn commented that she disagrees that this is a level service budget. She said that the substantially separate programs at Mattacheese and Wixon are going to be combined when they move into the new school. She added that the school psychologist retired and has not been replaced.

Public Comment ended at 7:04 p.m.

C. School Committee Comment

Phillip Morris asked Mrs. Woodbury and Mr. Flynn what kind of reaction they have been receiving from the Finance Committees and Select Boards from the two towns; meetings with both are upcoming. Ms. Landers referenced Slide 9, State Aid Increases, and expressed hope that the trend continues. Mr. Tierney asked about the transportation contract; the last contract was a 3-year contract with two one-year extensions. Mr. Flynn referenced the solar credits at Wixon.
