Motion:

Resolved: Having convened in an open meeting on April 3, 2023, prior to the SOI submission closing date, the Dennis-Yarmouth Regional School Committee, in accordance with its charter, by-laws, and ordinances, has voted to authorize the Superintendent to submit to the Massachusetts School Building Authority the Statement of Interest Form dated no later than April 14, 2023 for the Marguerite E. Small Elementary School located at 440 Higgins Crowell Road, West Yarmouth, MA 02673 which describes and explains the following deficiencies and the priority category(s) for which an application may be submitted to the Massachusetts School Building Authority in the future.

Category 5: Replacement, renovation or modernization of school facility systems, such as roofs, windows, boilers, heating and ventilation systems, to increase energy conservation and decrease energy related costs in a school facility. The Marguerite E. Small Elementary School needs significant renovation work in all major systems. The building's exterior components including roofs, doors, windows, and masonry have all been cited as high-priority issues. The 2014 facilities audit and the updated study in February 2020 by Bureau Veritas identified the same issues along with possible structural settlement of the loading dock, interior air quality issues, leaking sanitary and heat piping, and the presence of asbestos containing materials. Additionally, the building lacks fire suppression and has multiple ADA requirement issues.

Category 7: Replacement of or addition to obsolete buildings in order to provide for a full range of programs consistent with state and approved local requirements. Current capacity is reasonable, however classroom layouts and floor plans with a size of about 900 square feet limit the kinds of educational activities that would reflect best practices for the grades and specialized services that must be provided within this school;

and hereby further specifically acknowledges that by submitting this Statement of Interest Form, the Massachusetts School Building Authority in no way guarantees the acceptance or the approval of an application, the awarding of a grant or any other funding commitment from the Massachusetts School Building Authority, or commits the Dennis-Yarmouth Regional School District to filing an application for funding with the Massachusetts School Building Authority.
