Mr. Glen Koocher, Executive Director

Mr. Koocher, Executive Director of the Massachusetts Association of School Committees, gave a presentation to the members of the committee. Among the topics covered were Protocols and Best Practices for Effective School Committee Meetings; Evolving Issues in School Governance; and Communicating as an Effective School Committee Member. Also discussed was the question of when is it policy and when is it administration; superintendent evaluations; being respectful and collegial. Mr. Koocher also advised that once something is said you lose control of it. Dissent and disagreement are vital. A question and answer session followed the presentation.
